

Nursery News

Friday 30th September 2022

This week we have been learning all about our senses!

This week we have been learning all about our five senses by reading the book 'My Five Senses by Alikì'. Throughout the week, we have been completing different activities to develop our understanding of the importance of our 5 senses.

Each day, we have focussed on a different sense.

- Sight = We played Kim's Game to try and memorise the different objects.
- Hearing = We did lots of listening games, listening to environmental sounds, musical instruments, and instructions.
- Smell = We had a challenge to smell different flavours and had to try and work out what smells they are.
- Taste = On Friday, we had a yummy taste challenge! We had lots of different fruit to taste.
- Touch = During busy time, we have had lots of sensory activities to engage with, sand, glitter, orbies, flour and more!

Next week we will be looking at similarities and differences between us all. We will be discussing what we like, dislike and more!

Star of the Week:

Congratulations to all the children in Nursery this week for being this weeks 'Star of the Week'.

They have all done exceptionally well settling into our busy environment.

We cannot wait for more adventures next week with you all!

It has been so lovely welcoming all our new friends into Nursey. All the children are settled and are playing beautifully together. We are looking forward to doing some lovely activities with them all next week!

Look at what we have been doing this week...

We have been doing some tasting and smelling activities this week to learn all about our senses!

Books we have read so far...
