This week we have been learning all about our families!

We have had such a lovely week learning all about our own families as well as our teachers and friends. To introduce our topic, we read 'Mr Large in Charge' and had spoken about who is in his family which led on to a big discussion about the people in our family.

On Wednesday, we looked at different family trees and even looked at Miss Smith's family tree! We found out that she had a big sister! We then had to work out who's family tree it was using the pictures to help us. Miss Smith was very impressed with our work!

During busy time, we have been drawing our own family to put up in our 'Family Gallery'. Thank you to all of you who have sent photos in. We have been printing them off as they come through and encouraging the children to tell their peers the people in the photo. They have been lovely to see 😊 Please keep sending them in if you have not done so already to add them to our display.

Next week is the last week before half term!! We will be rounding our topic of by reading lots of stories around 'Magical Me' and having more fun!

Star of the Week:

Each week we will have 3 Stars of the Week, one from each session. Here are our first star of the weeks for the year!

Jellyfish (all day children): Robin for always trying his best during carpet time.

Dolphins (morning children): Malachi for always following our Golden Rules and contributing his wonderful ideas during our carpet sessions.

Whales (afternoon children): Beatrix for always following the Golden Rules and being kind, helpful and a great role model to her peers.

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

Books we have read this half term...
