

# Nursery News

Friday 21<sup>st</sup> October 2022

## What a fantastic first half term we have had!

This half term we have focussed on learning all about ourselves and our peers. We have been busy making friends and become independent whilst at Nursery.

This week, we have been having lots of fun with lots of different activities that have been put out for us to play with! We have been drawing, building, making and much more!

On Wednesday, it was the most important day - School Photo Day! We had our smiles at the ready and Miss Smith knew we had been practising!!

Next half term we will be focussing on Celebrations and learning all about the different festivals and events coming up.

## Star of the Week:

**Jellyfish (all day children):** Rosa for having a fantastic week in Nursery and being super helpful!

**Dolphins (morning children):** Annabelle for coming to Nursery with a big smile and being kind and helpful.

**Whales (afternoon children):** Shilo for being kind, caring and helpful in Nursery every afternoon!

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

## Reminder: Next week is half term.

We return back to school on Wednesday 2<sup>nd</sup> November!

As Halloween falls on the Monday during half term, we will be having some spooky activities out for the children's return!

On Friday 4<sup>th</sup> November children can come dressed to school in Spooky costumes for a little party in Nursery!
