

Nursery News

Friday 11th November 2022

This week we have been celebrating Diwali, Autumn, and Remembrance Day.

On Monday, we read the story 'Peppa Pig's Diwali' and watched some videos to learn some facts about the festival of light! During busy time, we made our own Rangoli Patterns, Diya Lamps and Mendi Patterns. We decorated our Diya Lamp with lots of sequins and gems to make it bright and colourful.

We also read 'The Leaf Thief' and learned all about how the leaves change colour in Autumn time and they fall off the tree. We went on a leaf hunt and filled a big bucket full of leaves!

On Thursday, we also created our own hedgehog using brown paint and a fork to add the spikes! They look amazing!

Today, we marked Remembrance Day by creating our own (edible) Poppy and learned about the significance of the day.

Next week, we are celebrating World Nursery Rhyme Week and we are SO excited!!

Star of the Week:

Jellyfish (all day children): Max for becoming more confident when interacting with his peers.

Dolphins (morning children): Ella for being a kind, caring and helpful friend and making them smile.

Whales (afternoon children): Miley for being kind and caring to her peers and teachers when at Nursery.

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

World Nursery Rhyme Week Reminders!

Thursday 17th November - Dress up Day!

We are holding a dress up day for children (and teachers) in Early Years to dress up as a character from a Nursery Rhyme!

Thursday 17th November - Assembly

We are also doing an assembly for you to come and watch your child perform the 5 new nursery rhymes we have learned.

Morning Children: 10:45am - In Nursery

Afternoon & All-Day Children: 2:30pm - Downstairs Hall (with Reception)

Early Reading and Writing Workshop!

Monday 14th November - 4pm

Please head to the downstairs hall where Miss Smith and Miss Pearce will greet you. We have lots of important information to share and an exciting new scheme to launch too!
