This week we have been celebrating Birthday's!

This week we have been busy celebrating all things birthdays! We read the story 'Kippers Birthday' to help us decide what we must have when planning a surprise birthday party. We have been busy making cakes, writing invitations, birthday cards and lots more!

A new role play area was set up as a 'Birthday Table' where we were able to share cake between our friends and give presents to our peers. It has been great fun!

Alongside all of this, we have been SUPER busy rehearsing our Christmas Nativity! We are going to be heading to the hall next week to practise. Please let me know if you **have not** received your Christmas Nativity Letters.

Next week, we will be celebrating Humanities Week and heading to Antarctica with lots of winter activities!

## Star of the Week:

**Jellyfish (all day children):** Myles for becoming more confident with his peers and always following our golden rules.

**Dolphins (morning children):** Aisha K for fantastic singing during our Nativity rehearsals and initiating play with her peers.

**Whales (afternoon children):** Amy for being more confident and chattier with her peers and teachers.

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

## Reading for Pleasure!

Thank you to all of your lovely comments in the Reading Diaries for our first week of our new 'Reading for Pleasure' scheme. It has been lovely reading that you have shared the story at home as a family.

Please return your child's zip wallet so we can provide them with a new book to read for the next week!

Next week we will be putting up our Christmas Decorations in Nursery! If you have any unwanted decorations, baubles, tinsel and want to find a new home for them send them this way! The children will LOVE putting more decorations up!
