2023

Welcome back!

We have had such a blast celebrating our first week back in Nursery and have been very busy!

Our topic this half term is, Ready, Steady, Cook! We will be reading different stories that link closely to cooking through reading recipes, writing supermarket lists and we might even get to do some baking!

To start the week of, we have read 'The Very Hungry Caterpillar' and learnt about the different foods he ate during the week. We learnt all about the life cycle of a butterfly and created our own sequences showing the 4 different stages. Using our 'Fab 5' we were able to retell the life cycle in our own words too.

This week, we have also welcomed some new friends into Nursery, and we have been teaching them our Golden Rules. It has been lovely to see so many new friends join us!

Next week, we will be celebrating Chinese New Year!

Star of the Week:

Jellyfish (all day children): Luna for being helpful and a great role model to her peers at Nursery.

Dolphins (morning children): Leonie for being so brave and coming back to Nursery with a big smile on her face!

Whales (afternoon children): Sajisnavi for being super cheerful and smiley when coming into Nursery and all afternoon!

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

Reading Champions!

As a school, we have re-launched our Reading Champions Scheme! This time, with our Nursery children!

Some of our very thoughtful Year 6 students dedicate part of their lunchtime break to come into Nursery and read stories to the children. They have been coming into Nursery at 1pm and heading to the quiet room to share stories with them.

The children have loved having them come in and it has been lovely to see them engage with the older pupils in the school.
