

# Nursery News

Friday 3<sup>rd</sup> February 2023

This week we have read 'The Giant Jam Sandwich!'.

During our carpet times we have been discussing the ingredients we need to make our own jam sandwich and writing our own set of instructions.

Our new sound this week has been /p/ and we went on a hunt around Nursery to find things beginning with the sound /p/. We found, pens, pig, pencils, and a penguin!!

On Thursday, we were really lucky to come back to school to see a brand-new role play area set up for us - a supermarket!! It has been SO much fun scanning items, putting them in our baskets and even paying for the items too!

Next week, we are really looking forward to our STEM week with lots of exciting activities are going to be on offer to explore. Don't forget - Monday is Science Day!! We cannot wait to see all of our little scientists arrive at Nursery!

## Star of the Week:

**Jellyfish (all day children):** Yumna for sitting beautifully in the lunch hall and putting a smile on our faces every day!

**Dolphin (morning children):** Hallie for trying really hard every day to follow our carpet rules!

**Whale (afternoon children):** Asja for coming to Nursery happy and playing with her peers.

Well done to all our Stars of the Weeks for this week. We cannot wait to see what adventures you get up too!

## Welcome to Nursery's Shop!

### We have our own shop!

A brand-new role play area has been set up in one of our group rooms and the children have loved role playing shops with their friends.

If you have any empty 'shop' items that the children will remember (cereal boxes, shampoo bottles, pizza boxes etc) please bring them in and we can add too our shop!

## Our sound of the week is...

### Pronunciation

### Phrase:

Bring your lips together, push them open and say p p p

Can you find any more objects that begin with /p/ at the weekend?
