*Dear Parent,*

Drama will be continuing at Aragon in the Summer 2024 Term.

We offer high-energy, fun-filled weekly workshops combining drama, dance and singing. Sessions are taught to a high standard by professional actors who have years of experience teaching children. We believe that drama benefits all but especially children of this age. Our main goal is child-development and this is at the core of every activity. Our mission is to raise and protect the self-esteem of every child and to develop vital communication and social skills without our students realising because they are having too much fun!

We hope to see you soon.
