

Aragon Primary Newsletter 25.9.20

Another Reminder

It has been noted that children are still riding bikes and scooters and using the climbing frames in the playground before and after school. **This is a health and safety concern.** We worry that one day a child/adult who is scooting/riding will seriously hurt another person for which the school cannot take responsibility.

School Fund

At Aragon Primary School the Governors and staff are committed to providing the full range of educational experiences for your children. It is for this reason that we have a non-profit making Breakfast Club, and a full range of trips and clubs.

These facilities are not automatically available in schools and therefore in order to supplement other activities to further enhance your child's learning we are asking for a voluntary donation of £10.00 per year from each family or child. This money will be put into School Fund and will be used to support activities for the children such as end of term events, visitors, play equipment, curriculum days etc. This Fund is totally separate from local or national funding and is used entirely for the children's benefit.

We are very grateful to all the parents that support the school through this fund, as the children benefit from the extras we can put into place as a result of these voluntary contributions.

Please pay your contribution via Parentpay from 1st October.

Thank you for your continued support.

Health Guidance

Please ensure that you look at the attached health guidance.

Thank you to everyone that donated to Genes for Jeans!

No Nuts!

Please remember that children should NOT bring nuts or any foods containing nuts into school. This includes Nutella and Peanut Butter. We have children in school who have severe nut allergies. Thank you for your co-operation.

Road Works

From Monday 28 September for approximately six weeks, there will be road works on the entire length of Stonecot Close.

Telephone Messages

If you receive a telephone call from school, please listen to the message before ringing school. It will make it easier for the office staff to connect you to the right person. Thank you for your co-operation.
