## **Christmas Shop**

It's time to clear out your cupboards!!!

We are planning on running our Christmas Shop again this year....

With a few changes to ensure we're Covid compliant!

Each year group will be able to visit the shop on a different day so we can have a deep clean in between.

If you could kindly send in any unwanted but new items as soon as you can so we can quarantine them for as long as possible, we'd be so grateful.

Items can include smellies, socks, books, candles, accessories, stationary, photo frames, vases, gloves, hats & scarves.

Please send your donation in with your child to give to their teacher.

## **Individual Class Photos**

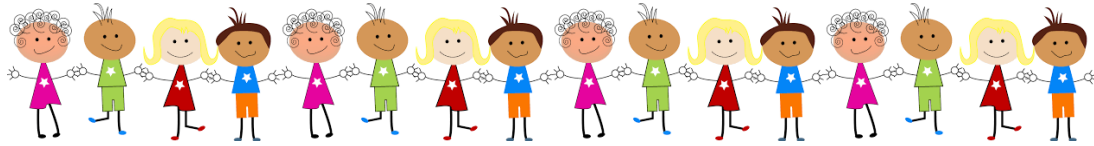

We would like to inform you that we are having the school photographer Graham Latham in to photograph the children on Thursday 5<sup>th</sup> November and Friday 6<sup>th</sup> November.

As we are dealing with very unusual times, we are going to have to take unusual measures. All children are going to be photographed individually, we are not able to include families this time unfortunately. The children will walk in, be asked to stand in front of the screen and then given instructions on how to stand and their picture taken. The photographer will always observe social distancing. You will as usual be under no obligation to purchase the pictures, but we hope that you will be happy with the results. Many thanks for your continued support

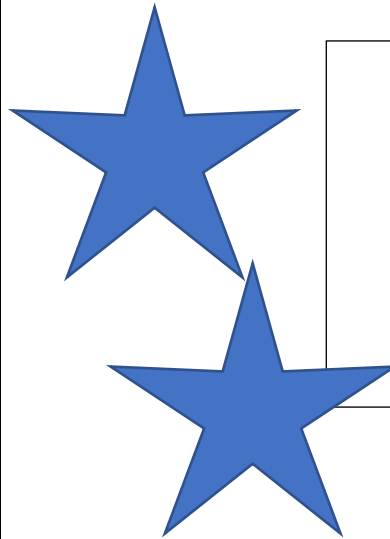

## **Poppy Appeal**

This year due to Covid 19 restrictions, we are unable to support the British Legion in their Poppy Appeal in the way that we usually do. If we could ask you to send in a contribution in an envelope with your child's name and class on, we will send back a poppy. Please do not feel obligated to contribute, but we would very grateful for all monies received for this very worthy cause.
