WELCOME BACK EVERYONE

We are so delighted to have all your lovely children back. We have missed their bubbly laughter and smiling faces so much. It has given us all a well-needed boost seeing the children playing with their friends and working so hard. May we take this opportunity to thank you all so much for your kindness and understanding during the last year, particularly with your never ending support on Seesaw! It has been really so appreciated. Now you can all have a very well-deserved break from remote learning!

Many thanks

Mrs Ryder and Mrs Davey

Wednesday Challenge

Well done to all of the children who took part in their year groups Wednesday challenge.

We love seeing your uploads.

Mia in year one shared an amazing poetry upload and Leona and Oliver from Reception were very creative in their recycled plant pots!

Well done!

We look forward to seeing your work next week.
