

**Willow Learning Trust
Equality, Diversity and Inclusion Policy**

This Willow Learning Trust Strategic Policy applies to the Willow Learning Trust as a whole and to all the schools in the Trust. The Willow Learning Trust, including all the schools and services within the Trust, their Trustees, governors and staff, must abide by this WLT Equalities Policy.

The Willow Learning Trust believes that the promotion of equality of opportunity is in the best interests of our staff, students and the wider community, and that all forms of discrimination are unacceptable, regardless of whether there was intention to discriminate or not.

It is the responsibility of the local governing body and Headteacher of each school, and the Board of Trustees, to ensure that their school and its staff adhere to this WLT Equality Policy. In implementing the policy and associated procedures, the local governing body, Headteacher and Trust staff must take account of any advice given to them by the WLT CEO and/or Board of Trustees.

If there is any question or doubt about the interpretation or implementation of this Policy, the WLT CEO should be consulted.

1 Our commitment

The Willow Learning Trust is committed to equal opportunity and values diversity and inclusion. We will challenge prejudice and intolerance and seek to eliminate discrimination.

The promotion of equality of opportunity is in the best interests of our staff, students and the wider community, and is also in the best interest of the Trust, so that we recruit and develop the best people for our jobs and benefit from the diversity it brings.

The Willow Learning Trust recognises that many people in our society experience discrimination. Discrimination is acting unfairly against a group or individual and can be direct or indirect. All forms of discrimination are unacceptable, regardless of whether there was any intention to discriminate or not.

We are aware of and comply with the 2010 Equalities Act and our duties under the Public Sector Equality Duty and recognise that they support good decision-making.

In accordance with the Equalities Act and Equality Duty, the Willow Learning Trust will strive to ensure that it considers the needs of all individuals and avoids discrimination in shaping our policies, delivering our services and in relation to our employees.

By understanding the effect of our policies and actions on different people and how inclusive services can give everyone opportunities, we are able to ensure our services are efficient and effective.

The Willow Learning Trust aims to create a culture that respects and values each other's differences, that promotes dignity, equality, diversity and inclusion and full participation in the life of the school, and that enables and encourages individuals to develop and maximise their true potential.

2 Legal duties

The Equality Act 2010 combined nine separate pieces of legislation into one single Act to help tackle discrimination and inequality. The Act introduced 9 protected characteristics:

- Age (in relation to staff only)
- Disability
- Gender reassignment
- Marriage and civil partnership
- Race
- Religion and belief
- Sex
- Sexual orientation
- Maternity and pregnancy

The Public Sector Equality Duty has three aims. It requires the Trust as a public body to have due regard to the need to:

- **Eliminate unlawful discrimination**, harassment, victimisation and any other conduct prohibited by the Act.
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it.
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

In complying with the Duty, it may be appropriate to treat some people differently from others, for example providing a particular service in a way that meets the specific needs of people who share a protected characteristic.

The needs of disabled people must be taken into account in terms of employment and service delivery, and it may be appropriate to make reasonable adjustments or treat disabled people better than non-disabled people.

3 Actions to be carried out

In developing policies and practices, every possible step should be taken to ensure that individuals are treated fairly in all aspects of their employment by, or receipt of services from, the Trust and its schools.

Measures that will be taken include:

- a) for students - implementation of policies on equal opportunities (including special needs, behaviour and anti-bullying);
- b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti-harassment policy;
- c) PSHE, RS and other elements within the curriculum that promote tolerance and understanding about cultures and lifestyles;
- d) employing specialist staff to support students with special needs or disabilities, and implementing the Trust disability access plan;
- e) monitoring of welfare, with intervention and support where required;
- f) taking steps to meet the particular needs of students or staff that have a particular characteristic.

Specific objectives will be set and monitored to help the Trust and its schools to meet its duties and the aims of this policy.

Incidents involving discrimination and prejudice will be tackled immediately in line with this and other Trust and school policies; legal support may be sought if appropriate.

Data related to the protected characteristics will be collected and analysed to monitor compliance with the Equality Duties which will be done in accordance with the relevant data protection legislation. This will include information on admissions, attendance, attainment, exclusions and prejudice-related incidents. Published information will not identify any individual.

All employees of the Trust have a duty to co-operate with the Trust to ensure that this policy is effective. We also expect students and parents and other visitors to the school to act in accordance with this policy. The Trust and its schools will promote this policy and ask anyone to report instances of suspected discriminatory behaviour so that they can be dealt with.
